

**TERMS AND CONDITIONS OF THE MASTER CLASS / EARLY STAGE RESEARCHERS CLASS / e-POSTER SESSION '1ST INTERNATIONAL CONFERENCE: MODERN RESEARCH TRENDS IN BIOMEDICAL SCIENCES: A HOLISTIC APPROACH TO HEALTH CARE' (17-19.04.2024). \***

**I. SUBMISSION**

1. Participation in the Master Class/ Early Stage Researchers Class/ e-Poster Session requires a positive review of the submitted abstract, registration of the presenting author, and payment of the conference registration fee.

2. The Master Class/ Early Stage Researchers Class/e-Poster Session accepts original, casuistic, systematic reviews and meta-analyses of research findings.

Work should be prepared in English. Presentation of work in the Master Class/Early Stage Researchers Class/Poster Session will be in English only. Each participant may submit up to 2 proposals.

3. Abstracts (MS Word file, PDF file) should be sent electronically to [abstracts\\_mrtbs@uni.opole.pl](mailto:abstracts_mrtbs@uni.opole.pl), topic "Master Class/e-Poster Session: *Modern research trends in biomedical sciences*", by March 25, 2024, with the following layout:

- name
- authors (first and last name of the author/co-author/co-authors)
- presenting author (full name)
- e-mail and telephone number of the presenting author
- affiliation (full name of the institution to the author and each of the co-authors are affiliated, city, country)
- keywords (maximum 6 words) should be taken from the Medical Subject Headings 2024 catalog, available at: <https://meshb-prev.nlm.nih.gov/>
- summary (divided into 5 parts: introduction, aim, materials and methods, results, and conclusions); please do not include citations, figures, drawings, and photographs in the abstract.
- abstracts should be written in Times New Roman 12 pt. font, single-spaced

The length of the abstract (excluding title, author/ co-author / co-authors names and affiliations) must not exceed 2200 characters (with spaces) or 300 words.

4. Abstracts sent on a later date or to an e-mail address other than the one provided above will not be accepted.

5. Abstract submission assumes permission to present the work from all co-authors and the head of the institution from which the work originates. In addition, the author submitting the abstract is required to submit with the text a completed and signed consent for the publication of the abstract in the book of abstracts after the conference. This consent should be signed by all co-authors of the work on one page (scanned).

6. Authors whose papers are favorably evaluated by of the e-Poster Session panel and qualify for presentation during the Master Class/Early Stage Researchers Class/e-Poster Session of the Conference will be notified by the organisers via e-mail no later than 31 March 2024.

7. Papers based on the highest scoring presentations will be published in subsequent issues of Medical Science Pulse (MSHE 40 points; ICV 100.00). To be eligible for the publication, authors must submit their full-text papers to the editorial panel of the quarterly journal Medical Science Pulse and receive two positive reviews.

8. The author will receive 15 educational points for presenting the work during the Congress.
9. By submitting the abstract, the authors simultaneously agree to respect the Terms and Conditions.

## ***II. MASTER CLASS/ EARLY STAGE RESEARCHERS CLASS/ e-POSTER EXHIBITION***

1. The authors of selected works are required to prepare:

a) in the case of Master Class/ Early Stage Researchers Class: 1 slide (.ppt, landscape format) with the main assumption of the work, purpose, methodology, results, and conclusions; the content should be written in English.

b) in the case of e-Poster Session: a readable e-poster with a target size of 70 x 100 cm (vertical orientation) in the .ppt and .jpg format

- the poster should be submitted in the form of 1 slide
- the content should be written in English.
- minimum font size 8 pt. (however it is recommended to choose as large as possible)
- layout in portrait format with an aspect ratio of 9:16
- recommended resolution 1080/1920

2. Oral presentations (Master-Class, Early Stage Researchers Class) will take place on the first and second day of the Conference.

3. The poster display will take place throughout the conference. Presenting e-posters and subsequent discussions are scheduled for the second day of the conference. Authors of all e-posters are required to participate in the discussions.

4. The authors of all oral presentations during the Master Class/ Early Stage Researchers Class will receive a diploma indicating the authors, the title of the work and the place won.

5. The authors of the three best e-posters will receive a diploma stating the authors, the title of the work and the place won.

6. The Conference organiser reserves the right to change the dates of the e-Poster/Master Class/ Early Stage Researchers Class Sessions.

*\* The organiser reserves the right to change the Terms and Conditions of the e-Poster Session*
